FIRST-FIT QUALITY  
AIR DISC BRAKE  
REPLACEMENT**

- BENDIX®
- HENDRICKSON®
- MERITOR®
- SAF HOLLAND®
- WABCO®

From individual first-fit quality replacement components and genuine complete systems, to comprehensive technician training and a best-in-class warranty, count on Dayton Parts® as your single source for lower cost-of-ownership solutions from all major air disc brake manufacturers.

Industry-leading  
5-Year Warranty

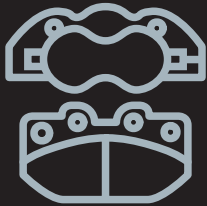

# DAYTON PARTS HAS COMPLETE AIR DISC BRAKE COVERAGE

The Dayton Parts air disc brake portfolio includes genuine replacement parts from the original manufacturers, and aftermarket-engineered products designed to industry standards for the same fit, form and function as the original. Count on our aftermarket-leading range of products that deliver:

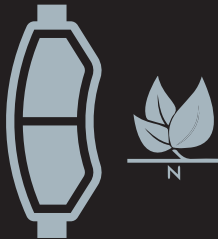

- Coverage for virtually every truck and trailer application
- Proven performance to keep vehicles up and running with worry-free driving

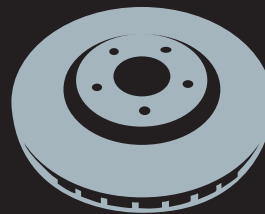

## OUR BROAD PORTFOLIO OF PRODUCTS AND SERVICES INCLUDES:

**Calipers:** Genuine calipers direct from the original source; first-fit quality calipers assembled and tested in the USA

**Air disc brake pads** that are compliant with the latest EPA standards, and **ECE R90** certified

**Rotors** that are designed for original fit and function delivering extended life and improved fade resistance with trouble-free installation

First-fit quality **brake chambers** that offer direct replacement for all major OE brands

## INDUSTRY-LEADING 5-YEAR WARRANTY

Coverage includes the combined, exclusive use of Dayton Parts-branded disc brake pads, brake chambers and rotors. Caliper coverage is provided after first replacement is performed. See warranty (DP0418) for full details.
